CERTIFICATE

Mr. Manish Goshwami, on Behalf of me has inspected school building known as Sardar Patel Vidyalaya (English Medium) at Sewagram in Vill. Kharai Dist. Kachchh on 23rd December 2022. This school is run by Ultratech Cement Limited.

My Observation by visual is as under:

1. Building is nearly 12 years old.
2. It is a R. C. C. Frame structure.
3. Construction is at Ground floor and partly at first floor and at first floor new construction is completed.
4. All building is in good condition and maintained well.
5. At present in this building school is running in normal order.

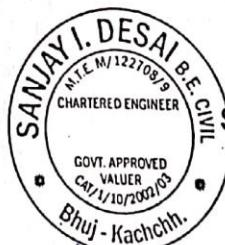

Conclusion by Visual Inspection:

1. Building is in good condition.
2. Building is **Safe and Sound** to run the school in normal Condition.
3. We recommend the periodical maintenance to keep building sound and safe in future.

This certificate is issued on the request of owner and to produce the certificate in education department.

Documents produced before me are Different plans and structure stability certificate issued by Er. A. S. Chirmade dated 04.05.2009.
