The comprehensive nature of these examinations allows students to identify their strengths and areas that require further attention.

The school is committed to providing a stress free supportive environment, and the results of these pre-boards will guide both educators as well as students in refining their strategies for optimal academic performance in the forthcoming Board Exams.

Co-curricular Activities

"Excellence in education is when we do everything that we can to make sure they become everything that they can"

One of the significant objectives of The Aditya Birla Public School, Kharia Khangar, Jodhpur is to provide for balanced, overall development of the pupil. In accordance with this philosophy, activities at the school extends beyond the classroom through our comprehensive Co-Curricular Activities programme, as a means to enhance social interaction, leadership, healthy recreation, self-discipline and self-confidence.

The activities are designed for pupils to develop physically, emotionally, culturally and socially by providing them with opportunities to broaden their horizons, gain knowledge and skills, and generate an interest in a variety of areas they may not have previously experienced. It also provides a refreshing counterbalance to the demands of the students' academic studies and encourages students to share their energy and special talents with others.

The scope of the Co-Curricular Activities programme is wide but can be categorized into four major groups: Literary Activities, Cultural Activities, Arts, and Sports. The Co-Curricular Activities programme is held on Saturdays.

There is a wide choice of CCA in the school, from which students can take part on their interest and ability. Students can take part in any two Literary or any one Cultural Activities as well as any one Sports individual and two Sports Group events. It is endeavored to provide each pupil with the equal opportunity.

The Co-Curricular Activities programme caters to specific interests and these are the activities conducted during the session.

KG Corner:

The world today is competitive and seeks extra from every kid, in this scenario our kids also need to perform better than the others. Without proper training and skills, it is not possible. Perfection does not happen overnight it takes a lot more than extra time, hard work and observation. This is where Personality Development for kids comes in, when things are planned from the early stage, learning gets easy. Important skills and etiquettes in kids are an indicator that they have been brought up well. Keeping all the things in mind we want our kids to be one step ahead, KG section organized number of activities throughout the session.

Parent Orientation

An orientation program for parents was organized at ABPS School on April 3, 2024. The event commenced with an invocation, seeking the blessings of the Almighty. The primary objective of the orientation was to familiarize parents with the curriculum, school rules, and regulations for the 2024-2025 academic year. It provided a valuable opportunity for students and parents to connect with teachers in a welcoming environment.

The session covered various aspects, including the Kindergarten curriculum, academic requirements, extracurricular activities, school policies, and available facilities. This orientation served as a crucial platform for parents to gain insights into the school's expectations and future plans, fostering a collaborative approach between the institution and families to enhance student learning and overall development.

Happy Hands

The *Happy Hands* activity was conducted on April 6, 2024, where children engaged in creating colorful handprints under the guidance of their class teachers. Using safe and vibrant paints, they dipped their hands and pressed them onto paper to form unique patterns. This fun-filled activity enhanced creativity, fine motor skills, and self-expression. Teachers encouraged teamwork and the exploration of colors, making it a joyful and educational experience. The completed handprints were then displayed as a collaborative art piece in the classroom, symbolizing unity and creativity.

The *My First Introduction* competition, held in the Kindergarten section on July 26, 2024, encouraged children to confidently introduce themselves. Students enthusiastically shared their names, hobbies, favorite colors, and aspirations. The event aimed to boost self-confidence and enhance speaking skills, creating a joyful experience that promoted active participation and self-expression.

Raksha Bandhan Celebration

Raksha Bandhan is a festival celebrating the special bond between siblings. On this occasion, sisters tie a *Rakhi* around their brothers' wrists as a symbol of love and protection, while brothers pledge to support and care for their sisters.

Teachers provided students with materials such as threads, beads, and decorative items to craft beautiful Rakhis. With parental assistance, children created unique Rakhis, fostering creativity while learning about the festival's significance. This fun-filled activity deepened their understanding of cultural traditions and the importance of familial bonds.

Janmashtami Celebration (August 24, 2024)

On August 24, 2024, the KG section joyfully celebrated *Janmashtami* with vibrant festivities. Students arrived dressed as characters from *Krishna Leela*, showcasing different aspects of Lord Krishna's life. The highlight of the event was the traditional *Dahi Handi* celebration, where children excitedly cheered as the handi was broken, followed by a sweet treat of *makhan mishri*, symbolizing Krishna's love for butter.

The event featured energetic dance performances, engaging craft activities such as Krishna crown making and *Makhan* pot decoration, and a special screening of *Krishna Leela*. This celebration beautifully blended cultural learning with fun, leaving children with cherished memories.

Nanha Kavi Hindi Rhymes Competition (September 6, 2024)

The *Nanha Kavi* Hindi Rhymes Competition encouraged Kindergarten students to recite Hindi rhymes with confidence and expression. This event aimed to enhance language skills, pronunciation, and memorization. By expressing emotions through poetry, children improved their creativity and stage presence, making it a delightful and enriching experience.

Fancy Dress Competition (October 18, 2024)

The Fancy Dress Competition, themed *Community Helpers*, allowed students to dress up as doctors, teachers, police officers, and other essential workers. Each participant confidently spoke about their chosen role, promoting awareness of the significance of community helpers. This event successfully enhanced public speaking skills, creativity, and self-confidence.

Gandhi Jayanti Celebration (October 2, 2024)

In honor of Mahatma Gandhi's birth anniversary, Kindergarten students participated in various activities highlighting his values of truth, non-violence, and simplicity. Through engaging storytelling sessions and interactive discussions, the event aimed to instill moral values and respect for national leaders among young learners.

Final Remark: We appreciate the active involvement of parents in the educational journey of their children. Your support is invaluable, and we encourage continued collaboration to ensure the success of our students.

In conclusion, I am proud to lead a school community that strives for excellence in all aspects of education. As we look ahead, The Aditya Birla Public School remains dedicated to providing a nurturing and challenging environment that prepares our students for a successful future.

Thank you for your continued support
