

## ACADEMIC CALENDAR

Our school calendar outlines important dates and events in an academic year which serves as a roadmap, helping to organize the academic year efficiently. The calendar typically includes dates like start and end dates of terms/semesters, holidays, examination period, events and activities and so on. An academic calendar provides both students and faculty a clear and structured timetable for managing academic responsibilities, personal plans, and institutional events.

### Various Exam Dates for the Academic Year 2025-2026

Name of the Exam	Standard	Date
